Once you've located the MP3 Download link (either in the 'Order Confirmation Email' or on the 'My Account' page order summary), *click it*, and your download will begin.

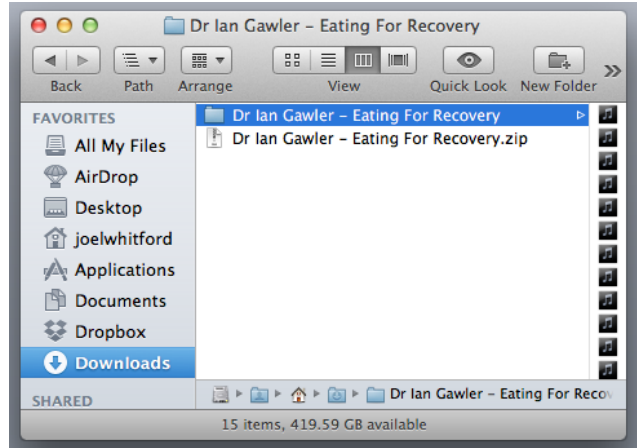

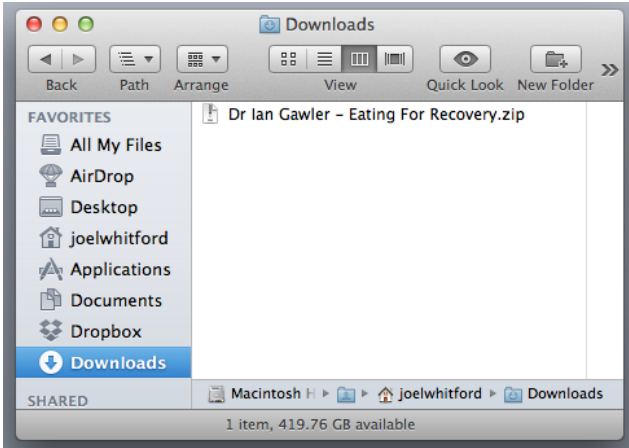

Unless you've specified otherwise, your MP3 downloads will be saved in your computers 'Downloads' folder.

NB: If accessing the download files from your 'My Account' page and have logged out of the Ian Gawler webstore, you will need to login again in order to visit this page and access any MP3 Download orders.

Step 2. Once the MP3 Download *file* has been completely downloaded, it is *nearly* ready for you to access and listen to. All MP3 downloads from the Ian Gawler Webstore are delivered *zipped* (also referred to as *compressed*). Therefore, Step 2 is to *Unzip* the MP3 Download file to access the file.

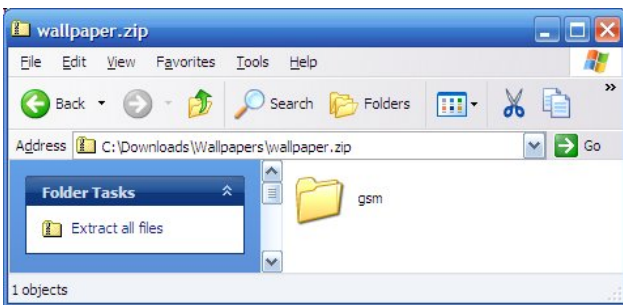

NB: Mac Users simply need to *double click* the zip file.

The folder containing all MP3 files will appear above the zip file itself, in the same location.

NB: Windows Users... Windows XP, Vista and Windows 7, unzip support is built-in.

Unzip Step 1. *Double click* the .zip file to open it up.

The Extraction Wizard will open. Click Next to continue.

Unzip Step 2. From the Select a Destination dialog (see fig 2.1), select the location where you want the folder to be placed (by default this will be in a subfolder of the folder the .zip file is in). Then click Next to extract the files.
